## From the Office...

November... I can't believe that we are here already!

### Progress Reports

The year is divided into two reporting periods - February and June. Teachers do send home a progress report early in the school year to update parents on how well their child is doing since beginning school in September. On November 7<sup>th</sup>, students will receive this progress report. Please be aware that this is a brief snapshot of your child's learning. Progress will be indicated using Progressing Very Well, Progressing Well or Progressing with Difficulty.

#### Progressing Very Well:

The student **consistently** demonstrates significant progress in their learning of the curriculum expectations and is expected to achieve the learning goals of the term.

#### Progressing Well:

The student is demonstrating **sufficient** progress in their learning of the curriculum expectations and is likely to achieve the learning goals of the term.

#### Progressing with Difficulty:

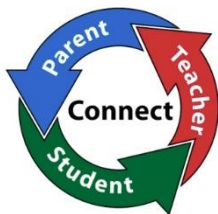

The student is demonstrating **some** progress in learning of the curriculum expectations and shows that they need further support to achieve the learning goals of the term.

### Interviews

The evening of **Tuesday November 14<sup>th</sup>** has been set aside for interviews. If you are unable to make this date, please communicate this with the classroom teacher and set up another time to discuss your

child's academic progress. Communication from your child's teacher will come soon.

Visitors to our school will now be wearing ID Badges so they can be quickly identified to both students and staff.

Parents who are picking up or dropping a child off will wait in the office for their child to come to them.

Please note – If you are picking your child up at 3pm we **will not be calling into classrooms and disrupting the final moments of instructional time.** We ask that you wait outside until the bell rings.

When it is raining we ask that you do not drop your child off before 8:40am. There is no supervision for them until 8:40am.

### Breakfast Program

We know that mornings are busy so we try to help families out. We offer hot breakfast every day from 8:40 to 8:55. A huge thank you to our staff and parent volunteers who make sure that this program runs!

### Please Review

On our yard we are kind. We enjoy the outdoors and our friends. We know where we are supposed to be. We keep our bodies to ourselves and we stay under control. We use equipment appropriately. We talk to an adult when we need help problem solving.

### Newsletter Hard Copy Request

At Norwood Public School we are environmentally conscious, therefore, all further monthly newsletters will be posted on the school website within the first week of the month. We can, through our efforts, stop the cycle of abuse to the environment and leave a much healthier footprint for our children. If you require a hard copy, please return this cut-out to the school.
