

Good evening Norwood Students, Parents and Guardians,

As we continue to take part in social distancing measures to limit the spread of COVID-19, I wanted to take this opportunity to check in with you and let you know that we miss you all!

We are now in our third week of distance learning and we are starting to feel like we have our feet under us again. I know there have been challenges as we figure out how to make the learning accessible for our students but, there has been so many successes. I want to celebrate the learning our teachers have done as well as, the students but most of all, you for being there to guide your child through this process (as a mom I can relate that it isn't easy all the time).

If you haven't already, please visit our website <https://norwoodpublic.kprdsb.ca/>. You will find staff contact information and have access to our Twitter feed so you can watch our videos with your child. Hopefully, some of our videos will make you laugh, at least that is the goal of mine!

Remember we are all in this together and if we continue to follow the direction around social distancing, we will all be together again.

Have a wonderful week,
Brooke
